FOR THE SHABBOS TABLE: A COMFORTABLE HOME

In this week's parsha, Parshas Terumah, Hashem tells Moshe how to build the mishkan. Why does Hashem need the Mishkan? Just like we have a house and fill it with items that make us comfortable, Hashem also wants a home in this world and it should be filled with things that make Him comfortable. This is done by using things for Mitzvos, like coins for giving Tzedoka and a chair to sit at the Shabbos table. When we use physical things for help serve Hashem we make those into Holy item, just like the Keilim in the Beis Hamikdosh.

Do you know what you have in your room that turns your room into a "Mini Beis Hamikdosh"?

That's right, a Chumash is like the Aron, your Siddur is like the Mizbeiach and a Tzedoka Pushka is like the Shulchan.

Let's use our mini Aron, our mini Mizbeiach and our mini Shulchan to serve Hashem in a way full of simcha.

Remember, Mishenichnas Adar Marbin Besimcha! :) :)
