## GAME CORNER

## FOR THE SHABBOS TABLE: PART OF A WHOLE

In this weeks parsha, Parshas Vayechi, Yaakov blesses each of the shevatim. Each shevet was different; each had a different job and each received a different bracha. Together they made up all of klal Yisroel. We are also all different. Everyone has their own jobs and ways of serving Hashem, but together we make up one big Jewish family. We learn this week that we are so lucky to all be Hashem's children and each have our own unique purpose in this world. When we think of how special we all are to Hashem, that he gives us each a special job and mission in this world, we can be b'simcha and dance.
